

Spanish Class !!!

Ms. Kim's September Newsletter

Hola amigos! Welcome to Spanish class. It is such a joy to have the opportunity to teach children Spanish at such a young age. I have taught my curriculum here at Foothills for 4 years. I have enjoyed every minute of it and I learn something new each day myself!

I had the opportunity to travel to Central America while I was attending college at the University of Northern Colorado. I lived in Costa Rica, Honduras and Guatemala for three months while going to school to learn the Spanish language. I came home with so much knowledge and experience. When I had the opportunity to share my knowledge, I took on the challenge to teach young children!!!

My goal for the year is to introduce the language and teach basic conversational words and phrases. I begin the year with introductions, colors, shapes, numbers and songs. As the year progresses, I teach a new theme weekly/bi-weekly. Each day I review and build on what we have already learned the prior week. I do not have a lot of time with them, however they seem to absorb a great amount throughout the year. I am always extremely impressed with them at the end of the year.

I am excited to get started this school year. If you have any questions or concerns, please contact me. Thank you for allowing your children to learn something new and educational! God Bless!

Sincerely,
Ms. Kim Espinosa
