

Mrs. Paulette's 2 1/2 - 3 Year Olds
September 2011 Newsletter

Welcome to our first full month of preschool. I am looking forward to getting to know each child and helping them have a great experience in class. During the month of September we are going to learn how to sit on our shapes and pay attention in circle time, improve our listening skills, follow directions, and learn about our weekly curriculum. I am also going to be introducing Zoophonics. Zoophonics is a fun learning tool we use to help your child learn the alphabet. Please note that we have back to school night on Wednesday, September 7 at 6:30 PM.
