

## Mrs. Stacey and Mrs. Trisha's Class Newsletter

Welcome to the first of our monthly newsletters. As you will soon find out, life in preschool is very busy! My hope is that through this newsletter you will understand what we do on a monthly basis and know what special events are coming up that your child will be participating in. Starting in October you will receive your newsletters via email. Please let me know if you need a hard copy and I will send one home with your child. You can also access our newsletter by going to FCP&K web site at [www.foothillsbiblechurch.org](http://www.foothillsbiblechurch.org). The color of the month is **RED**. Please have your child bring in something **red** during the month to glue to our **red** collage. Have a great month and please let me know if you have any questions as we begin to get used to our school routines and schedules.
