VBS COMMUNITY OUTREACH PROJECT

As the crisis continues to unfold in eastern Europe, many of us feel helpless and far away. This year at VBS we are partnering with Josiah Venture to show the love and light of Jesus to the people of Ukraine. Funds will be used to respond to the war by supporting local churches inside Ukraine as they provide shelter, food, medical supplies, and spiritual encouragement. Funds will also assist refugees as they move to neighboring countries with housing and community through the church.

Since the war began in February, over 6.5 million Ukrainians have been displaced within the country and over 4 million refugees have left the country. All are struggling. Please join us in giving towards this effort by returning this piggy bank filled with money any day of VBS. Please also join us in praying for the Ukrainian people and the countries that are supporting the relief efforts. May God reveal himself to the war-torn and the weary in mighty ways. We also pray that the church in Europe and around the world can be a testimony of God's grace and mercy during this time.

Please return this piggy bank filled with money any day of VBS!
