TRUTH: What does God's Word say?

1. Read 1 Peter 1:13-16 and Romans 5:1-5. What is the difference between setting our hope on grace versus simply trying to think positively during suffering?
2. Read 1 Peter 1:17-19. According to these verses, what were we ransomed from and what was the cost of our redemption? Why does Peter want believers to remember that cost?
3. Read 1 Peter 1:20-21 and Ephesians 1:3-10. What do these verses teach us about God's plan of salvation and the centrality of Jesus' resurrection?

TRANSFORMATION: What is God changing in me?

1. When you hear the command to be holy, is your first instinct to have gratitude for what Christ has done or pressure to prove yourself to God? Why?

2. How might remembering the cost of your redemption change the way you approach a sin in your life right now?

COMMUNITY: What does this look like among us?

1. The sermon described our tendency to retreat into shells when suffering comes. When are you the most tempted to withdraw from others, and how can Christian community help you resist that temptation?
2. Read 1 Peter 1:17 and Hebrews 12:5-11. If God is both our loving Father in Heaven and an impartial judge, how do these two truths influence the way we confront sin, extend grace, and encourage one another toward holiness?

MISSION: How do we live this out in the world?

1. If your hope is in God, how does that change the way you talk about the world with people who are unbelievers?
2. Read 2 Corinthians 1:3-5. How does the grace of Christ that we have received change the way we talk to other people in their suffering?
